We, the Senior Class of 1960, respectfully dedicate this edition of the Reflector to Mrs. Maxine Garrison. It is a pleasure for us to pay tribute to the one who has ably directed and supervised our annual that it might be a success.

The Senior Class of 1939 set a precedent by making Larwill High School's first annual. It is therefore our duty and privilege to keep this custom alive by issuing the twenty-second edition.

We, the Seniors, hope that our friends, classmates, parents, and teachers find this annual to be of equal quality to those of the previous years. We are proud of it, and hope that it enlightens every home of the community.

We, the graduating Seniors, wish to thank her for her friendliness and interest in the student body. Mrs. Garrison will always be a wonderful part of our fond memories of Larwill High School.
